

Moderately Aggressive Core \$250,000

PORTFOLIO OVERVIEW

MINIMUM INVESTMENT:
\$250,000

FEE:
Target All-In Fee = .55%

Includes platform fee, program fee, & ARG AM fee; these costs assume the OSJ platform rebate is collected by the advisor.

CONSTRUCTION:
The portfolio includes separately managed accounts (SMAs) as part of the large-cap equity component, which enhances transparency in holdings for both the advisor and the client. Exchange-traded funds (ETFs) are incorporated to provide exposure to smaller-capitalization and international markets, adding diversification to the overall strategy. Additionally, the portfolio includes bond funds or individual bond portfolios, depending on the desired risk profile.

Each portfolio contains a mix of large cap, mid cap, and small cap domestic equities. International equities are incorporated via active or passive exposure depending on market conditions.

APPROPRIATE FOR:

- **Mid-size Accounts**
- **Investors seeking increased transparency in the companies they are investing in**
- **Allows for flexibility to exclude positions or asset classes through the WMP exclusion list system**
- **Investors seeking alpha from stock selection**

ABOUT ARG ASSET MANAGEMENT

Advisory Resource Group Asset Management (ARG AM) is a subsidiary of Advisory Resource Group LLC, an OSJ within Osaic Wealth, Inc. ARG AM creates composite portfolios for OSJ-affiliated advisors. ARG AM conducts regular research and constructs portfolios using the available investments on the Wealth Management Platform (WMP) offered by Osaic Wealth. Through the creation of turnkey portfolios for its affiliated advisors, ARG AM allows its member firm advisors to simplify portfolio construction and maintenance. They recognize that portfolio construction and maintenance can be daunting or time-consuming. By creating turn key solutions, ARG AM offers advisors leverage in eliminating these potential burdens and, in turn, helps its affiliated focus on their primary objective, serving their clients. The WMP platform offers a wide variety of solutions; by packaging portfolios ARG AM seeks to simplify evaluating this wide menu and help advisors and clients potentially achieve better outcomes.
